

Dianne Conlon
Vice-President, Human Resources
Greystone Managed Investments Inc.

Robert Vanderhooft, Chief Executive and Chief Investment Officer, and the entire Greystone team welcome Dianne Conlon as Vice-President, Human Resources of Greystone Managed Investments Inc.

Dianne Conlon brings over 20 years' of experience in human resources within the financial industry. Ms. Conlon has been involved in talent management, succession planning and personal development in various organizations through an optimal blend of strategic vision and cross-functional collaboration. She has garnered these skills throughout a career that includes past service as Vice-President, Human Resources at Manulife Financial/John Hancock.

Ms. Conlon's experience is complemented by the Advanced Program in Human Resources Management (APHRM) from the University of Toronto's Rotman School of Management.

Founded in 1988, Greystone serves institutional clients across Canada with a full range of investment services, covering fixed income, Canadian equity, U.S. equity, international equity, infrastructure, and real estate and mortgages. Headquartered in Regina, with offices in Toronto, Winnipeg and Hong Kong, the firm oversees more than \$33 billion of client assets.
